Mrs Barak,
I was able to confirm that they are Israeli soldiers in Israel. The host was in Israel a few weeks ago, she asked a soldier if she could video him on her phone saying "I am Federation" and his whole group joined in. She also videoed three female Israeli soldiers at the Wall. Others appearing in the video are local community members and professionals. Also one young woman who is a participant in ALMA Mechina, a project which prepares young women in the periphery of Israel for the IDF.

Please let me know if this is ok or if you have any other questions or concerns.
Thank you-Emily

Hi Emily,
PM Barak will sign the book plates.Can you please ask them to put it in the hotel room so he can sign after he has rested.
Concerning the “I am Federation” - he will do it. I just hope that he will not be embarrassed and that the soldiers are israelis or jewish-american serving in the IDF. Can you please verify?
best
Nili

> I hope this finds you well. Attached is the final itinerary for Sarasota. Two additional items I need your feedback on. They would like Mr Barak to sign 125 book plates so that once his book comes out, they can buy and give to donors. Second, they will be showing a video in advance of Mr Barak taking the stage. In the video they have soldiers, kids, donors etc saying “I am Federation.” They were hoping Mr Barak would come on stage and start his speech with “I am Federation.” They said it would be the perfect end to their video. Please let me know if this is possible or if I should respectfully decline. Thanks-Emily
